Books and Print Works

The standard reference for a book is as follows:

Author’s last name(s), First initial. (date). *Title in italics: Capitalize only the first word, the first word after a colon and any proper nouns.* Location: Publisher.¹

**Book - Single Author**

**Book - Multiple Authors**

**Books, Edited**

**Article or Chapter in an Edited Book or Textbook**

**Entry in a Reference Work, Author Indicated**

---

¹ If you access the book online or use an e-book, add “Retrieved from…” and give the url.
² For sources with up to seven authors: list last names and initials of the authors, with an ampersand (&) between the last two names. For works with eight or more authors, list the first six names, then an ellipsis (…) then the last author’s name.
³ If no author is indicated, use the title of the entry here in place of the name.
